SKILLS:

Languages:

- ● ● ● German: fluently/native niveau
- ● ● ● Danish: fluently/native niveau
- ● ● ● English: fluently

IT:

R-studio, Python, SQL (basic), Xcode app development, excel, web-development (basic), Adobe AI, PP

Professional:

Customer relations, leadership, responsibility over teams, teamwork, innovative thinking, order/product management, selling, negotiating, data management, IT-problem solving

Social:

Creative, social, passionate, innovative, liking challenge, active, disciplined, open minded

Personal interests:

Music: My biggest passion. I've spent nearly 20 years singing and playing piano, performed in bands at small venues and festivals, and produced a few unreleased songs. What I enjoy most is playing and performing with others.

Sports: I stay active daily—either at the gym, wakeboarding at Aarhus Watersport Complex, or mountain biking in the forest. I also enjoy padel, surfing, football, and volleyball.

Business: I'm passionate about investing and developing ideas with business potential. My long-term goal is to create innovative ventures that add real value to the Danish market.

Social: Always up for social activities, dinners, spontaneous trips, and hangouts with friends.
